

# The Hot Dog Song

**Hot Dog, Hot Dog  
Come and Get It, Come and Get It  
Ketchup-Mustard-Pickle-Relish, Ketchup-Mustard-Pickle-Relish  
MMMMMMMM, MMMMMMM**

This is read through four times. After reading through it the first time with a normal voice, use a high voice, then a low voice, and last of all use no voice. Just "mouth" the words, and clap silently. Remember you clap with the beat of the word for every verse.
