Letter from Lance

Dear Readers,

At Kent District Library, we are committed to providing access to information and resources for all members of the community. This year, we have surveyed our patrons to understand their needs and preferences. Here are some highlights from the survey:

- **Early Literacy**: 18.9% of parents reported reading to their child every day.
- **Summer Reading Participants**: 14% increase from 2014 to 2015.
- **KDL Visits**: 37% increase.
- **Circulation**: 5% increase from 2014 to 2015.

Thank you for your continued support. We look forward to serving you even better in the future.

Sincerely,
Lance
