

Library Card Challenge Newsletter

The Kelloggsville Branch is open!

The new branch, located in Kelloggsville High School (4787 Division Ave. S, Grand Rapids, MI 49548), opened in January. KDL has partnered with [Kelloggsville Public Schools](#) to transform the high school's state-of-the-art media center into a community library. This branch highlights Kent District Library's goal to challenge the traditional concept of what a library is and to ensure its many programs are available to everyone in the county.

The community is welcome to use the 6,500 square-foot facility at [specified times](#), including:

- Three evenings a week between 3 to 8 PM during the school year
- Every other Saturday from 9:30 AM to 1:30 PM during the school year
- Additional hours during summer months when school is not in session, including evening and weekend hours

Check out these [databases and resources](#) for high school students.
