- From the dropdown menu next to the Reserve icon on the KitKeeper homepage, choose the title you would like to reserve.

- Click Go.

- You will see a month-by-month calendar. If the kit is available to be reserved on a specific date, the box will be white with the word Reserve in blue letters. If the kit is not available on a specific date, the box will be gray. Once you select an available date, click Reserve. You will be prompted to enter your library card number and then complete the reservation process.
